# 紓緩服務之旅 在困難中 成就珍貴一刻

*The Core of Palliative Care:  
bringing precious moments to  
even the hardest of journeys*

當YY只有兩個月大時，她被確診患上罕見基因病。根據過往病例，她的生命或許無法跨越兩歲。這個噩耗令父母陷入無助與焦慮。醫院隨即轉介他們至兒童癌病基金的兒童紓緩服務團隊，由兒科護士蔡姑娘作主要跟進。

接到個案後，蔡姑娘一直陪伴他們，耐心聆聽父母的恐懼和疑慮，整理醫療資訊，協助與醫院溝通，陪父母一步一步站穩腳步。

YY的成長充滿挑戰。她經常出現抽筋及呼吸困難，需要依靠呼吸機、鼻飼管等儀器維生，長期留醫在新生嬰兒深切治療部。經過父母與醫護團隊的悉心照顧，YY終於迎來她的一歲生日。

## 一歲生日：愛的表達

對於生命有限的病童來說，第一個生日意義非凡，見證著YY、父母和醫護團隊一年的努力和象徵已跨過重重困難。基金團隊構思並與YY父母商量，在深切治療部籌辦生日會，感恩得到醫院的批准和全力配合。

考慮到YY的特殊情況，蔡姑娘反覆思量，希望送上一份獨一無二的禮物。最後，她邀請音樂治療師到場，透過與父母了解YY的日常點滴，以YY的心跳為節奏、父母的愛語為

**When baby YY was just two months old, she was diagnosed with a rare genetic condition. Based on past statistics, she was not expected to live past the age of two. The news left her parents devastated. She was then referred to the Children's Cancer Foundation's Children's Palliative Care Team, with paediatric nurse Serena assigned as the primary case officer.**

From the outset, Serena stood by the family, patiently listening to the parents' fears and doubts, helping them understand medical context, facilitating communication with the hospital team, and helping them gradually regain their footing.

YY's growth has been fraught with challenges. She often experienced seizures and breathing difficulties, relying on life-support equipment such as a ventilator and nasogastric feeding tube to survive, and remained in the neonatal intensive care unit. Yet through the devoted care of her parents and the medical team, YY eventually reached her first birthday.

## A First Birthday Filled With Love

For a child with a life-limiting illness, turning one holds profound meaning. It was testament to the perseverance of YY's parents and the whole medical team, symbolising their efforts in overcoming countless obstacles. To celebrate this milestone, the team proposed and discussed with the parents the idea of organising a birthday celebration in the neonatal intensive care unit (NICU). With the hospital's approval and full support, preparations began.

歌詞，共同創作了一首專屬YY的歌曲。當這對內斂的父母輕聲唱着這首充滿愛意的歌，YY彷彿被觸動，原本沒有肢體活動的她，小手竟微微一動，鼓舞了在場的所有人。

音樂環節後，醫院特許親友聚首病房。期間YY更伸手輕觸生日蛋糕。這一瞬間的活潑舉動再次觸動每位在場者。而蔡姑娘安排的義務攝影師亦拍下珍貴的全家福，保存難得的相聚時光。

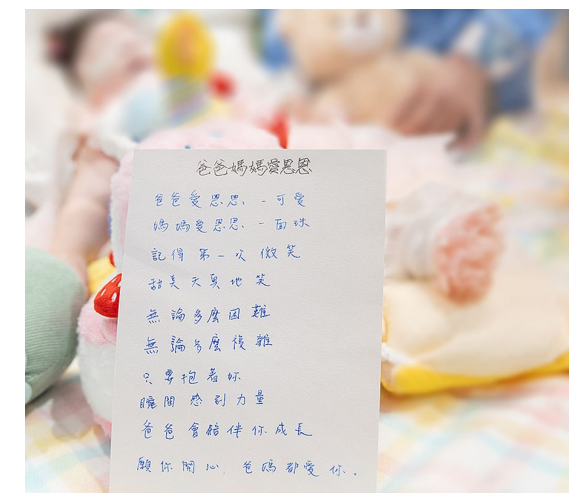

## 紓緩服務：用心陪伴是最好的支持

YY確診後，她的父母甚少表達內心感受。在準備生日會的過程中，在治療師的引導下，他們難得地打開心扉。慶祝會後，父母特意向團隊道謝，形容在這段艱難旅程中「一路都感覺被支持，唔再覺得孤單」。

過去一年，蔡姑娘陪伴這對父母經歷不少挑戰，見證著他們情緒由不安走向接受事實。大家建立互信後，可以攜手制定「預設照顧計劃」，共同商討YY未來的照顧方向。

展望未來，原本以為YY沒有機會出院，但因病情逐漸穩定，父母照顧信心增強，醫院團隊現正積極為YY制定出院計劃。如今她已由深切治療病房轉往普通兒童病房，基金團隊會與醫院團隊緊密合作，協助實現父母帶YY出院回家這個心願。團隊其後會持續提供家居支援，期望一家人能在家中度過更多美好的時光。

兒童紓緩服務旨在提升生命質素，從確診階段起便與家庭同行。雖然疾病不能逆轉，但團隊深信持續的陪伴與支持，能讓家庭在困難中找到力量，在迷惘裡找到方向。最終希望逝者安息，生者無憾。

Mindful of YY's complex condition, Serena sought to offer a truly unique gift. She invited a music therapist to meet with the parents, learn about YY's daily life, and together compose a song — set to the rhythm of YY's heartbeat and lyrics drawn from her parents' words of love.

When her usually reserved parents softly sang this heartfelt song, even YY seemed deeply moved; though she normally showed no physical movement, her tiny hand stirred slightly. That moment inspired everyone in the room. During the celebration that followed, the hospital granted special permission for relatives and friends to gather in the ward. At one point, YY even reached out to touch her birthday cake. This lively gesture moved the entire group once again. A volunteer photographer arranged by Serena captured precious family portraits, preserving this rare moment of togetherness.

## Palliative Care: The Power of Presence and Support

Since YY's diagnosis, her parents had seldom expressed their inner feelings. Yet during the birthday party preparation, with the guidance of the therapist, they opened up. After the celebration, they thanked our team, sharing that on this difficult journey, "we've always felt supported, we no longer feel alone."

Over the past year, Serena has accompanied the parents through many challenges, witnessing their emotional ups and downs, from anxiety to acceptance. With trust established, they were able to work together on an Advance Care Plan, discussing YY's future care.

Looking ahead, although it was once thought that YY might never leave the hospital, her condition has now stabilised and her parents have gained confidence in caregiving. The hospital team is now actively preparing a discharge plan. YY has already moved from the NICU to a general paediatric ward. The Children's Palliative Care team will continue working closely with the medical staff to help fulfil the family's wish of bringing YY home. Ongoing home support will be provided, with the hope that the family can enjoy more cherished moments together.

Paediatric palliative care aims to enhance quality of life and walk with families from the moment of diagnosis. Though the illness cannot be reversed, the team firmly believes that continuous companionship and support can help families find strength amid hardship and direction amid uncertainty. Ultimately, the hope is that those who pass may rest in peace, and those who remain may live without regret.

He then handed out Christmas gifts and posed for photos with children, filling the air with laughter and applause. The party also featured a generous buffet, with 2.5 hours of food and drinks flowing freely, keeping everyone energised to continue the fun. The mid-programme lucky draw began with Christmas carols performed by Alliance Manchester Business School Alumni Association (Hong Kong), extending the festive joy.

In the concluding performance, Mr Raymond Young led the crowd in a rousing rendition of *Joy to the World*. The final lucky draw brought the party to a perfect close, leaving all with a warm glow.

# 光影童心 激勵韌性並懷抱希望

## Light and Shadow, To Strengthen our Resilience and Ignite Hope

由我們主辦，聯同善寧會協辦，香港賽馬會慈善信託基金贊助，賽馬會紓緩童行計劃「光影童心」生命教育講座，於2025年9月13日在賽馬會善寧之家圓滿舉行。

Organised by the CCF, in collaboration with the Society for the Promotion of Hospice Care and sponsored by the Hong Kong Jockey Club Charities Trust, the *Light and Shadow – Stories of Children Life Education Seminar* under the Jockey Club Children's Palliative Care Project was successfully held on September 13, 2025 at the Jockey Club Home for Hospice.

近150位嘉賓出席支持，場面溫馨而莊重。講座由教育局副秘書長梁蘊儀太平紳士擔任主禮嘉賓，並由著名唱片騎師鄧慧詩擔任主持，與會者分享生命故事，匯聚溫暖力量，攜手支持病童及其家庭。

The event brought together nearly 150 guests in a warm yet solemn atmosphere. We were honored to have Ms Wendy Leung JP, Deputy Secretary for Education, as our officiating guest, and renowned disc jockey Audrey Winsome as the host. Through heartfelt sharing of life stories, the seminar united strength and compassion to support children battling serious illnesses and their families.

### 《我的孩子病了》首映與分享

活動焦點為生命教育短片《我的孩子病了》首映，紀錄病童及照顧者的心路歷程。影片播畢後，全場為片中一位於較早前離世的病童默哀，而當日正是他的出殯儀式，正好提醒我們生命的脆弱與珍貴。

隨後導演杜紹玲聯同家長分享拍攝點滴，她感恩能以鏡頭捕捉患病家庭在挑戰中展現的笑容與希望，充滿溫度與情感。另一位在紀錄片中受訪的喪親家長思澄媽媽亦無私分享她的心路歷程，展現如何將傷痛轉化為助人力量，感動全場。分享會最後由攝影師余衛聯作結，他雖身患強直性脊椎炎，仍堅持專業，並將這份精神傳遞給學生，啟發人心。

### 「生命的感動瞬間」相片展

同場亦舉辦「生命的感動瞬間」相片展，由病童、醫護及義工以鏡頭捕捉生命中的光與影——或見柔弱，亦見堅毅；提醒我們在逆境中仍可凝視生活的美好。

### 讓愛與生命的故事延續

參與講座的嘉賓均深受觸動。其中患有杜興氏肌肉萎縮症的陳梓鍵鼓勵大家，不要因生活瑣事而氣餒。而一位教育工作者，其後亦在報章專欄分享反思：「縱使孩子面對不可逆轉的病情，他們仍能在有限的時光裡，努力活出精彩的人生。」

每個故事都是一盞燈。是次活動希望透過真實的生命故事，啟發社會重新思考：在充滿挑戰的生命舞台上，我們可以如何精彩地演繹人生，做到不枉此生。

### Premiere of *My Child is Ill* and Sharing Session

A highlight of the event was the premiere of the documentary *My Child is Ill*, which chronicles the emotional journey of young patients and their caregivers. After the screening, attendees observed a moment of silence for a child featured in the film who sadly passed away earlier; that very day marked his funeral service—a poignant reminder of life's fragility and value.

Director Can To expressed gratitude for the opportunity to capture moments of resilience and hope through her lens. Parents also shared their experiences, offering a deeply moving perspective on transforming pain into strength. One bereaved mother, Sze Ching's Mother, spoke candidly about her journey, inspiring all with her courage and generosity. The session concluded with photographer Leo Yu, who, despite living with ankylosing spondylitis, continues to pursue his craft with unwavering dedication—passing on his spirit of perseverance to students and attendees alike.

### Photo Exhibition: *Moments That Touch Life*

Alongside the seminar, the *Moments That Touch Life* photo exhibition showcased images captured by patients, healthcare professionals, and volunteers. Each photo reflected the interplay of light and shadow—fragility and strength—reminding us that beauty and hope can still shine through adversity.

### Harnessing the Power of Life Stories

Guests left deeply moved. Among them, Mr Chan Tsz-kin, a patient with Duchenne Muscular Dystrophy, encouraged everyone not to be discouraged by life's trivial setbacks. An educator later shared his reflections in a newspaper column, "even when children face irreversible illness, they can still live a vibrant and meaningful life within their limited time."

Every story is a beacon of light. Through these authentic narratives, we hope to inspire society to rethink how we can live fully and meaningfully—even amid challenges—so that no life is lived in vain.
